# RULES & REGULATIONS GOVERNING THE EXHIBITOR

## I. SCOPE OF CONTRACT

This contract is made subject to the following rules and regulations, which are a part hereof.

## II. REVOCATION OF CONTRACT

It is understood and agreed that FRVA may revoke this contract at any time it determines, in its sole discretion, that the Exhibitor of the products and services the Exhibitor intends to exhibit are not suitable to the general character of the show or are inconsistent with FRVA's values and purposes. In such case, FRVA shall refund to the Exhibitor all the exhibit space fees paid by the Exhibitor, which shall be in full liquidation of all loss or damage suffered by the Exhibitor.

## III. EXHIBIT SPACE ASSIGNMENT

The space as stipulated in this contract is to be used during the convention solely for the exhibitor named in this contract. FRVA reserves the right to alter exhibitor requests for specific exhibit space.

## IV. REASSIGNMENT OF EXHIBIT SPACE

No Exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted herein without the written consent of the Director of Events.

## V. USE OF EXHIBIT SPACE

- A. Exhibit space is to be used solely for display of products, service, or merchandise.
- B. No Exhibitor, other firm, corporation, or individual shall advertise or distribute literature concerning the product of any other firm, corporation, or individual except as specified in its contract for space.

## VI. COMMERCIAL MEMBER STATUS AND CONDUCT

- A. No RV, bus conversion, or product may be displayed in the commercial area unless it is the product of a commercial member of FRVA. All vehicles on display must meet the criteria required for FRVA membership.
- B. All exhibitors will maintain a professional level of courtesy, respect, and objectivity. Any exhibitor who behaves in a hostile or unprofessional manner may be asked to leave the show by the Director of Events.

## VII. RESTRICTIONS

- A. The Director of Events reserves the right to restrict exhibits which, because of noise, message or implied message, or for any reason, become objectionable, and to prohibit or evict any exhibit that in their judgment may detract from the general character of the show. In the event of such restrictions or evictions, show management shall not be liable for refunds of any kind.
- B. Height of rear booth partition and display materials must not exceed 8 feet in height. Side partition on booth may be 8 feet high, half of the depth of the booth from the back of the booth, but remainder of the partition must be no higher than 3 feet. All surfaces exposed to aisle or other booths must be of a finished nature, either by draping or decorative panel. When a canopy is used, it may be supported at the corners by something no larger than the size of the exhibit tubular frame, and the canopy must be erected to allow an unobstructed view of neighboring booths. Additional show rules in exhibitor confirmation materials will also apply.
- C. The Director of Events may request changes in the method of display if it is objectionable to an adjoining exhibitor or Show Management under the above rules.

- D. A height restriction for all Outdoor Supplier Demo and RV displays will be in force. No decorations or flags in excess of 20 feet from the ground will be permitted without prior permission of FRVA. This includes helium balloons.
- E. International Association for Exhibits and Events display rules and regulations will also apply. Violators will be subject to fines and may/or may not lose rights to participate in space drawing procedures for future FRVA conventions.
- F. Production-line tow trailers are not permitted in the RV display area. Tow trailers that are for sale and have been custom built by an RV manufacturer specifically to accompany or to use with a specific RV, usually to be displayed with it, are permitted in the RV display area. The tow trailer must be displayed carrying the vehicle it is intended to tow. Approved office trailers may be placed on exhibit space.
- G. No pets will be allowed in the seminar buildings, exhibit buildings, entertainment facilities, eating areas, or within the RV display area. Only service animals may enter these areas.

## VIII. LIMITATION AND LIABILITY

- A. The Exhibitor covenants to indemnify and to save harmless FRVA, the Show sponsors and its Director of Events, and service contractors (collectively, the "Indemnified Parties") from and against any and all claims, demands, causes of action, suits, or judgments (including reasonable attorney fees, costs, and expenses incurred in connection therewith) for death or injuries to persons or loss of or damage to property arising out of or in connection with the use and occupancy of the exposition area or the demised exhibit and display space or spaces by the Exhibitor, his agents, servants, employees, contractors, licensees or invitees and not caused by the negligence of the Indemnified Parties. In the event of any claims made or suits filed, FRVA shall give Exhibitor prompt written notice, by certified mail, to the address stated on the reverse of this contract, of such claim or suit, and Exhibitor shall have the right to defend or settle the same to the extent of his interest hereunder.
- B. FRVA reserves the right to cancel or postpone any event promoted by FRVA without cause or warning. Should FRVA be forced to cancel an International Convention & RV Expo along with any associated activities, exhibitors will, at the discretion of FRVA, receive a refund or letter of credit for the registration and service(s) being affected by the cancellation. Equivalent utilities/services at a future event may not be available at a particular venue, so the closest option will be provided.
- C. It is further expressly agreed and understood that FRVA, the Show, its sponsors, and its Director of Events, shall not be held responsible for any loss, damage, or injury to property belonging to the Exhibitor, his agents, contractors and employees while the said property is in the exposition area, or at any other time and place.
- D. The owners of the property on which the show is held will not be responsible for injury, loss, or damage that may occur to the Exhibitors or to the Exhibitors' employees or property from any cause whatsoever, prior to, during, or subsequent to the period covered by the Show.

## IX. GENERAL INSTALLATION AND REMOVAL OF EXHIBITS

- A. Exhibits shall not be removed before completion of the show except by permission of the Director of Events, who will notify FRVA Security personnel. Exhibitors tearing down prior to the end of show will be fined. A fine of \$300 will be issued to booth exhibitors and outdoor supplier/demonstration displays and \$1,000 per unit removed for RV exhibitors.
- B. Nothing shall be attached to any of the pillars, walls or tent walls, doors, floor, or fixtures except by permission of the

Director of Events. If the premises are defaced or damaged by any act of negligence by any Exhibitor, its agents, or guests, the Exhibitor will apply to FRVA such a sum as shall be deemed necessary for complete restoration to previous condition.

- C. All necessary electrical, gas, steam, water or drainage outlets and services required by the Exhibitor shall be installed only by personnel hired or approved by the grounds authorities and at the Exhibitor's expense.

### **X. EXHIBITOR CONFIRMATION MANUAL(S)**

Exhibitor Confirmation materials will be furnished to all exhibitors from FRVA, the show decorator, and the exposition services provider, and hereby made a part of this contract. Full refunds, minus a \$50 service fee, will be made for cancellations made within 15 days after the date of space assignment. Refunds for cancellations after that will be considered on a case-by-case basis.

### **XII. INSURANCE**

Exhibitor will maintain, at its sole expense, comprehensive general liability insurance covering bodily injury and death to persons and property damage with minimum per occurrence limits of \$1,000,000, workers compensation and employer's liability insurance covering all those engaged by Exhibitor to provide services on its behalf, and adequate casualty property coverage for its own property. The general liability policy will name FRVA as an additional insured and must be in force during the full term of the Show including move-in and move-out days. Exhibitor must provide FRVA with a Certificate of Insurance confirming that all of these requirements are in place prior to the convention.

### **XIII. GUARD SERVICE**

Guard Service is provided by FRVA during set-up and dismantling of Exhibits and during the hours when Exhibits are closed. Every reasonable precaution is taken to protect property. Exhibitors may provide security guards for their specific display by permission from FRVA.

Any Exhibitor who cancels, withdraws from the Show, or reduces the size of its space for any reason may forfeit any monies paid as liquidated damages, and the Exhibitor agrees to be legally obligated to remit any unpaid balance for such assigned space. FRVA reserves the right to rent to another Exhibitor, eliminate, or to maintain vacant the cancelled space without obligation to the Exhibitor. FRVA reserves the right to sell space to another exhibitor if space is left empty or is not used in the manner originally intended by FRVA. No space may be used solely for storage purposes.
