POLICY

To present National Officers and Past National Officers with an attachment plate.

PROCEDURE

1. When a new officer takes their position, they will receive an attachment plate. The officer going out of office (Past National Officer) will also be given an attachment plate for their RV with the wording Past National and their respective title.
2. These plates will ONLY be made in the "Crescent Over ID" style. They will not have any other information added to them.
3. Any present or past officers that have lost their plates should get in touch with the National Office and will be sent a form to order their plates.
4. The National Office will verify the information prior to processing these orders.
