**POLICY**

To encourage members to join chapters and participate in chapter activities, as chapters provide members more opportunities for fellowship and interchange of ideas.

**PROCEDURE**

New members are informed of the existence and purpose of chapters and have access to the Chapter Directory online to assist them in becoming acquainted with a chapter.

The Chapter Directory is published in *Family RVing* magazine.

Chapters, at their request, are furnished with lists of new members each month in order that they may invite members within their scopes to join their groups.

A chapter formation kit, providing guidelines for starting a new chapter, is available from the National Office, and the National Office can assist with chapter formation mailing.
