I would like your consideration for the position of President of the Rocky Mountain Motorhome Association

My wife (Betty) and I have been members of FMCA for over 16 years and we currently belong to three FMCA Chapters, The ANASAZI Chapter, the California Chapter, and the Las Vegas Blackjack's Chapter. In the ANASAZI Chapter I have held the positions of VP of Communications, Membership Chairperson, and Chapter President. My wife and I have enjoyed hosting or co-hosting more than 20 Chapter rallies. We really feel strongly that the Chapters are the best part of FMCA.

In my involvement with the Rocky Mountain Motorhome Association, I have held the positions of Co-Captain of Security, Co-Captain of Seminars, Co-Captain of Signs, and Vendor Captain in Farmington, Gillette, and Tucson. I held the positions of Area Vice President, Senior Vice President of RMMA and currently hold the position of President.

I have been a member of the Parking crews for FMCA in Gillette, and Phoenix, and for the Western Region. Currently I am working with the FMCA Influencer program which allows me to promote the many benefits of belonging to FMCA.

After college I proudly served in the United States Air Force. My education started a career of technical support in office products, eventually leading to working with Japanese companies to introduce new products for sale in the United States. Finally, I was fortunate to start a small office products/technology company consisting of 4 people and grow to five locations in three states employing 100+ people. After we sold the businesses 16 years ago, we moved to Lake Havasu, Arizona. We enjoy boating, SXS riding, hunting and most of all the RV lifestyle.

I think we are seeing an evolution in the RV community, with a younger group of people spending their time and vacation dollars toward more family friendly experiences. For the good of our organization, we will need new fresh ideas to attract and grow our membership. I am anxious to work with RMMA to see progress in this effort.
