Dear Governing Board members,

In this communication you will find updates, requests for actions and information about upcoming activities.

I hope you have enjoyed attending the recent Governing Board updates via Teams webinar. These are live sessions that provide updates to Governing Board members. Our plan is to continue this type of update for Governing Board members on an ongoing basis.

I have asked Vice President Bob Weithofer to include a Governing Board update. See attached.

The minutes from the meeting held in Sedalia, Missouri, International Convention are included with this mailing.

The new Horizon data management system training sessions have begun. We are training on each feature in a separate session. We will be doing them biweekly. The sessions will be held at 3:00 p.m. Eastern Time.
