## VERY IMPORTANT

**When shipping your freight, please make sure all the boxes/packages have your Booth Number and Company Name on them so we can identify who they belong to.**

**BILLED WEIGHT** is based on incoming weight, whether the above services are used completely or in part. The weight is rounded up to the next 100 pounds and is taken from the INBOUND BILL OF LADING and/or the Certified Weight Ticket. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Hale.

\*All shipments arriving on show site from UPS, FedEx, Common Carrier or any other over the road shipping provider fall under the category of Material Handling. There is a charge for this service. The charge covers the signing and handling of shipments received at the exhibition facility. All fees and material handling instructions are detailed on the enclosed Freight Handling Form. **Please note, we cannot guarantee what time any shipment will arrive.**

While onsite, you are welcome to intercept and sign for your own shipments at any time. Please be sure to have a representative onsite at the delivery point awaiting arrival.

Representatives must remain outside of the Hale offices.

**Show Site Shipping Information:** Shipments arriving on show site will be accepted on or after **Friday, March 7, 2025.**

**All exhibits, including motorhomes, must be removed from the show floor prior to:  
12:00pm on Sunday, March 16, 2025**

Be sure that your insurance coverage is effective from the time your equipment leaves its point of origin until its return to its final destination after the show. Your public liability insurance should be in effect and adequate to protect you against any claims arising out of the operation of your exhibit. FRVA and Hale Expo Services, LLC. policies DO NOT include any coverage for individual exhibitors and cannot be held liable, under any circumstances, for any loss or damage of any kind. We will, however, take every precaution possible to protect your shipment prior to your representative's arrival.

### Exhibitor Move-out & Cleanup

At the close of the show, it is the exhibitors' responsibility to make sure that all debris and waste is removed from the area their exhibit booth occupied during the show. Waste must be disposed of properly in the appropriate containers that will be distributed around the facility. Arrangements can be made with Hale Expo Services, LLC. for labor to assist in cleanup after the close of the show. For the applicable charges for this service, please see the Installation and Dismantling Service Form enclosed. Hale Expo Services, LLC. and the Georgia National Fairgrounds are not responsible for exhibit items left on the show floor after this time.

Forklift service for dismantling will not be available until approximately 3:30 on Saturday, March 15, 2025, due to the necessity of delivering storage crates. Forklifts will then be distributed on a first-come-first-served basis.

**Acceptable File Formats For Artwork**

**Vectorized Artwork** – is the preferred format for artwork containing logos and fonts because it allows for exact reproduction without any loss of quality. These files are commonly produced with programs such as Adobe Illustrator or Corel Draw. Common file extensions for Vectorized artwork are: .eps, .pdf, .ai or .cdr

Please note, .eps and .pdf can also contain raster images as well (less preferred).

**Rasterized Artwork** – is the preferred choice for photo reproduction. Raster images can be resized only with the amount of information contained within the image. Higher resolution images will scale up better than low resolution images. **To prevent unsatisfactory results, Hale Expo Services, LLC, will not use web images for reproduction on signage.** Common file extensions for rasterized images are: .psd, .tif, .jpg (although .eps and .pdf can also contain raster images)

If you need a quote for specific services or would like to speak with one of our graphic artists, please call us at 800-333-4253 and ask for the Sign Department

**ORDER FOR MATERIAL HANDLING SERVICES**

We hereby authorize Hale Expo Services, LLC. to handle our shipment(s) in accordance with the information set forth above in the "Limits of Liability" section of this form, and we further agree to the following:

- A. We agree to the "limitations of Hale's Liability and Responsibility" as set forth above.
- B. We agree that Hale's liability shall be limited to any loss or damage which results solely from Hale's negligence in the actual physical handling of the items comprising our shipment(s), and not for any other type of loss or damage.
- C. With particular reference to subparagraphs A and B of the above, we agree, in connection with the receipt, handling, storage, and re-loading of our materials at the convention site (as distinct from Hale's warehouse), that Hale will provide its services as our agent, and not as Bailee or shipper. If any employee of Hale shall sign a delivery receipt, bill of lading, or other documents, we agree that Hale will do so as our agent, and we accept the responsibility therefore.
  - 1. Relative to outgoing shipments after the show, we recognize that there will be a lapse of time between the completion of packing and the actual pickup of our materials from our booth for loading into a carrier, and that during such time our shipment will be left unattended in our booth. We agree that Hale shall not be responsible for any loss or damage during such period, and we authorize Hale to adjust the quantities of items on any bill of lading left by us with Hale to conform to the actual count of such items in the booth at the time of pickup.
- D. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.
- E. We agree, in the event of a dispute with Hale relative to any loss or damage to any of our materials or equipment, that we will not withhold payment of any amount due to Hale for drayage or any other services provided by Hale as an offset against the amount of the alleged loss or damage. Instead, we agree to pay Hale within 30 days from the close of the show for all such charges, and we further agree that any claim we may have against Hale shall be pursued independently by us as a completely separate transaction to be resolved on its own merits.
